I have a V70 D5 2002 yr SE manual. The main beam indicator light has stopped working (very occasionally it works for short periods) I have been told that I need a new control box at a cost of £900 which seems very extravagant as everything else is working fine. However the indicator light should be working for the MOT test so I have a problem.....

Used Volvo V70 The Volvo V70 is a traditional, solid car with a huge load capacity, though after the Mk1 it became rather less boxy on the outside. Although the car is designed as a load lugger, performance shouldn't disappoint, especially in the more powerful versions. Like many estate cars, the used V70 is substantial, reliable, comfortable and safe.
