Re: lund boat manuals I agree with Silvertip. Our Lund manual offers up few details about the boat model we bought. But the Mercury motor manual, well, that's a different story. It has all sorts of goodies about break-in procedures, operation, maintenance and winterizing. If you decide you still need either or both manuals, you might try e-Bay ...

Boat Engine Manuals. Few of us are marine technicians, or even plan to perform work on our boat's engine, so when you purchase your boat, one of the first items that is easily misplaced is the engine manual.

Boat Engine Manuals | Wholesale Marine

My 2007 Lund had a manual in it, it has 11 chapters in it. It everything in it that is needed, wiring codes, fuses, etc. One manual covers all models of boats but I don't see what else is needed. As far as the motor manual goes it you want something better buy the repair manual and parts manual from the manufacturer.
