Hydraulic Landing Gear - 14K - Web - Lippert Components the leading OEM and Aftermarket RV Parts and Accessory Supplier

Hello everyone, we own a 2013 Big Country and are having issues with our hydraulic landing gear. The door side leg does not retract or extend equally with the other side. This makes it impossible to safely hook up to our tow vehicle. I have read threads from other members with landing gear issues but they do not seem to have the same issue as we are having.
