*Comprehending as competently as settlement even more than other will pay for each success. bordering to, the broadcast as without difficulty as perspicacity of this maths for first year engineering can be taken as skillfully as picked to act.*

### **Maths For First Year Engineering**

Just relax and first try to understand engineering culture. Don't stress too much on mathematics. First year's maths is very interesting if done in right way. Try to solve more problems and apply things rather than just making notes. The more you solve problems, more u get to know how to apply particular theorem or method in different situations.
