One more reason a manual transmission is preferred is economy. While many automatics can now deliver superior fuel economy to their manually-shifted brethren, some cars are still more efficient with a stick. One of those cars happens to be the 2017 Chevrolet Corvette Z06. CHECK OUT: What Forum Members Are Saying About the Manual vs Automatic Debate

One More Reason to Order Your Z06 With a Stick

Manual transmissions cost less than automatics to begin with. When you go to a car dealer you will notice that the stick-shift version of the same model is about a thousand bucks cheaper. Sometimes a thousand dollars seems like not not so much when it comes to buying a new car but forget about the car itself, think of what you can do with an ...
