Hi. I just bought a magellan maestro 3100 a few days ago. I took it out for a drive and I figured out that the software was outdated and so I looked on their website for a update. I found it, but I am having a lot of trouble with the process. I have the update downloaded onto my computer, but when I go to put in the memory card, and plug in the usb, it says the battery is too low and there is ...
