The Best Manual Breast Pumps - Mom Loves Best

The Medela Harmony is a handle-type manual pump. It's fairly easy to use - you assemble it, position the flange on your nipple, and start cranking. I used this pump as my backup pump and sometimes when I wanted to get a quick extra pumping session in away from my pumping station..

I have another brand hospital grade pump that I found intimidating and frustrating, so I started looking into manual pumps. I was getting overwhelmed, so I decided to go with the Medela Harmony. I knew Medela has a good reputation and that replacement parts and accessories are easy to grab at Target, so I figured I'd just go for it.
