Math in Focus is an American math curriculum designed to present the methods and content of Singapore-based programs in a way that will appeal to kids in the United States. Based on the My Pals Are Here math series, Math in Focus utilizes the concrete-visual-abstract progression that is part of the key to Singapore's math instruction success.

Math in Focus - Exodus Books

The Concrete Pictorial Abstract approach enables students to encounter math in a meaningful way. Direct correlation of the textbook to the workbook facilitates focused review and evaluation. The modeling method enables students to visualize and solve problems quickly and efficiently.
