The Driver Update Tool – is a utility that contains more than 27 million official drivers for all hardware, including logitech quickcam chat driver. This utility was recognized by many users all over the world as a modern, convenient alternative to manual updating of the drivers and also received a high rating from known computer publications.

Logitech QuickCam Chat Driver - Drivers Update Center

Haha, I solved this problem. I ran the 11.5 software, but that did not work. Then, I went into my temporary folder (C:\Users\Guanyang\AppData\Local\Temp) and found the files that were extracted from the exe file (QuickCam_11.5.0). In there, I went under Drivers and ELCH64, found the IELCH64v.inf file and used device manager to manually update to that driver, and voila, it worked.
