For a miata, from a performance perspective, the automatic is a blatantly worse transmission. That being said, my RF is an auto. I got it because being slightly worse than an amazing thing still leaves you with a really awesome thing and because i average about 11 mph in stop and go traffic on my way home for 10 miles every day.

Automatic MX5 RF - slower than Manual Gearbox? : Miata

Im going to buy a used miata, and im not sure which transmission is better. I have no interest in racing the car, but instead simply driving it and having it as a fun convertible. I dont know how to drive a manual, but if the stick shift is really that much better for this model, I will try and learn.
