Expert guide to manual focus photography - Amateur ...

I'm obsessed with bridge cameras. Ofcourse the compromises are large; chromatic aberration, noise, etc. I just like manual focus and don't really enjoy giving it up. Electronic manual focus just doesn't react as smoothly as mechanical. So, do you know any bridge camera with a mechanical manual focus ring, and image stabilisation, and (I know I'm pushing it) but not too much trouble ...

Bridge Camera with mechanical manual focus ring? | Yahoo ...

This camera has a new sensor which can continuously seek moving objects and adjust focus accordingly. On my camera it was not performing to my liking. While attempting to focus (zommed all the way in and zoomed out) the sensor would often focus on areas that were not in the center of the view finder, but more to the side, or up and down.
