I have a 12 speed zf meritor transmission that won't go into gear because it has a air leak out of 3 holes on the left - Answered by a verified Technician ... Hi. I have a meritor transmission in my freight liner its auto shift 12-speed and it has started popping out of gear and gives two codes. CL and SM.

### **I have a 12 speed zf meritor transmission that won't go ...**

We have an Arvin Meritor Freedomline 12 speed and like it. It seems that, regardless of brand, the newer the auto-shift transmission is, the less clunky and more responsive it is. There have been a couple times when the transmission will only operate in manual mode. That happens when a sensor or wire goes bad.
