Truly the experience was amazing. I've dealt with many other companies as we all have, such as
your smartphone, internet provider etc. LMKR blows them away. GeoGraphix is a very powerful tool.
It won't be mastered overnight. The support portal and your technical support analysts are truly the
best. Case ID - 00582072

Login - LMKR Support Portal

LMKR support continues in the tradition of GGX support. They are the best in the industry. Support
was easy to get through to and very knowledgeable as usual. There are other software packages
that rival Geographix, but none have the expert support I have come to expect from LMKR

Getting Started with GeoGraphix

Increased User Productivity: For organizations using both Petrel and GeoGraphix, data transfer time will be exponentially faster than manual data transfer methods. GVERSE Connect gives geoscientists the option to choose the software they are comfortable using, so they can spend less time moving data around and more time finding hydrocarbons.

GVERSE Connect Integrates Schlumberger Petrel and LMKR ...

For over 30 years, the E&P industry has turned to Landmark for some of the world's most advanced software and solutions for the exploration and production of oil and gas reserves.

Landmark Solutions - E&P software

DecisionSpace G1 Edition also features Landmark's unique Dynamic Frameworks to Fill® technology, winner of World Oil's New Horizons Idea Award. Interpreters build a sealed, geometrically correct 3D framework model of structural and stratigraphic surfaces, properly integrated with faults—while they are interpreting.
