Solution manual for investment science by david luenberger ...

David Luenberger has a very polished writing style, so much so I could imagine he could be entrusted to write the country's constitution. This is one of the reasons I am drawn back to this book. Another great aspect of this book is the motivation for the mathematics, you never wonder why this or that was introduced.

Introduction To Dynamic Systems: David G. Luenberger ...

Investment Science is designed for the core theoretical finance course in quantitative investment and for those individuals interested in the current state of development in the field -- what the essential ideas are, how they are represented, how they are represented, how they can be used in actual investment practice, and where the field might be headed in the future.
