I bought a Magellan Road Mate 5120, I was very disappointed to bought this, it is not as good as the Magellan Maestro 4250, there is not trip planner option in the 5120, and I try to go online to check for map up-date, but there is no model for 5120 to update. I returned this 5120 on the same date I picked it up from the Walmart store.
