I was so excited when my family first purchased the LG Tromm Front Load Washer. I had never owned a laundry machine that was so shiny, beautiful, and modern looking. My previous washer and dryer both came with my current house. I am unaware of what their exact age was when I moved in, but the washer looked old fashioned at the time.

### **LG Tromm Washer/Dryer Combo**

These pedestals fit my LG washer and dryer perfectly. Lots of room for even taller detergent bottles. I have one under each of my units and they bring up the washer and dryer to just the right height that you don't have to bend way over to move things between them. Once secured, this keeps the wobbling down quite a bit too.

### **Lg Tromm Dryer Parts: Amazon.com**

The LG front load washer dryer is a high efficiency unit that works by forcing the water through the clothes rather than swirling the clothes through the water. This is a much better cleaning system for clothes. Additionally, capacity is increased as there is no agitator, the tower in the middle of top load washer.

### **LG Washers and Dryers**

I have a LG TROMM washer and dryer, I am impressed! Both the washer and dryer have large chambers that have circular doors with windows that easily open from the front. The washer has a large dial with seven settings to choose from, ranging from sanitary to delicates; you can even put hand wash only clothes in it and put in on the rinse-only ...
