Most Helpful Customer Reviews. The Little Engine That Could is a wonderful story but also a teaching tool. It is a 35 year old book with a message that should never be forgotten; that children need to remember to always try and not give up. The illustrations are heartwarming and not a rough graphic which is sometimes seen in books published today.

### **The Little Engine That Could: The Complete, Original ...**

When I was a very young child (circa 1960), one of the first books I was given was a 1930 edition of Watty Piper's The Little Engine That Could. I've loved trains since I was a kid and I'm convinced this little tome was an early contribution to what's become an obsession.
