**Lego Instructions Manual**

The 'Paper' category is next on our KonMari decluttering spree and it's a doozy! One HUGE problem area in that category was storing my son's LEGO manuals. True, you can find most LEGO instructions online so technically you can probably get rid of the paper version, but it's harder to build using online instructions plus you're at the mercy of the internet to be able to find them.

When they first started to play with Lego I had no idea how big this collection would get and it seems to have taken over much of their rooms. I showed you earlier in the week one of the ways that we are now storing our Lego mini-figures and today I'm showing you how we keep all of those Lego manuals in check. You know, these ones...

**Lego Manual Storage - Clean and Scentsible**

After getting several Lego Idea Books, I'd have to say that this is the most practical one of the bunch. The creations in this book are simple, fun to play with, and most of the sculptures don't require many specialized bricks, however having access to a variety of sets such as the technic sets does help.
