Hello, I own a S210 250 Turbo Diesel and it has manual 5 speed transmission and am considering a 6 speed swap. I was talking to a friend and shop owner about possible 6 speed swaps for better Fuel Consumption as well as highway cruising comfort.

Mercedes manual transmissions | Mercedes-Benz turbo

10) Install transmission - make sure you have a helper or a jack to lift the front edge of the oil pan to install the manual transmission. Either jack the transmission into place or put the trans on your stomach and "bench press" the transmission into place. Benching the transmission into place is far more accurate and much more effective.
