WHO IS PIONEER? Pioneer is just that, a pioneer. We have, and will continue to lead the way in after-market truck tarp technologies. We created the Rack 'n Pinion® truck tarp that revolutionized the industry and to this day remains the standard by which all other tarps are measured.

WHO IS PIONEER?

Slide the tarp axle back until the end of the spline on the back of the axle is 19"-22" away from the end of the tarp and for the front measure 15"-17" from the front of the tarp. If it is a slanted rear system, then the distance is 33"-36" from the rear and 19 ½" from the front of the tarp to the extension

Side to Side Manual Tarp Conversion - Tarp Systems
