What is TTL? (vs Manual flash)

If you're only licensed for an automatic car, it's against the law to drive a manual vehicle on public roads. To do this, you'll need to sit another driving test and upgrade your automatic licence to a manual one. If you're licensed to drive a manual car in the UK, you're allowed to drive an automatic vehicle on public roads.

Automatic vs manual cars: which is better? | RAC Drive

For older or high mileage cars, manual cars can turn out to be more affordable to maintain. This is because manual transmissions only have mechanical gears that rely on the driver to engage, while an automatic transmission is far more complex with more parts and functions that can fail. Winner: Manual. Which one is better?

Manual vs Automatic Cars: Which is Better? - DirectAsia ...

The auto modes (Auto, Program), and semi automatic modes (Aperture Priority, and Shutter Priority) on your camera are great places to start. Manual mode is going to give you much more control over the look of your photos. So why learn to shoot in manual mode if your camera can automatically adjust settings for you?
