I have a Maytag MAH4000AWW washer for about 10 years now. I started having problems with it about 3 months ago. When I press start, the "door lock" light comes on, water starts entering the machine for about 1 minute and then the machine turns off. The "door lock light goes off after about 30 seconds. Three months ago, if I would press the start button again, the machine would go through a ...
