Introduction to Mastering Engineering Solutions. Here are the solutions for the first very annoying chapter of Mastering Engineering, your numbers might vary, but most should be the same if you get stuck. If you want answers to other chapters (like statics and dynamics for example) check out the solutions to the book questions. Welcome!

Introduction to Mastering Engineering Solutions

Extra Tries and Answers Ok, we all have been screwed over mastering engineering because of drawing vectors or simply being a decimal point off. Every time you enter an answer and accidentally get it wrong it says how many attempts you have left and takes points away each time. Im sick and tired of this crap.

never had mastering physics mark an algebraically correct answer as wrong. You could literally start using like \ln of exponential to the power of an integer to represent an integer and it would work it all out. I think you're just over exaggerating. I used the same system (mastering engineering) for statics, and circuits I and also had no ...
