What is the most common problem in 2006 columbia mbe 4000 ...

Our company has about 25 of them. One of the most fuel efficient engines we have ever had. Some of the 2005 models had some liner movement issue around 250k and all were covered under warranty. Currently they all have between 600k and 900k miles, and so far we have not had a major engine failure. I wish the MBE 4000 were still available. REPLY
