Mechanical Engineering Books For Kids

Books on Mechanical Engineering. There are so many books available, but for our purposes I sought out books on Leonardo da Vinci and mechanical engineering for kids. They didn't need to be written specifically for kids, but they needed to be accessible for children. Please note, Leonardo studied the human body extensively.

Mechanical Engineering For Kids - da Vinci inspired STEM

If you really want to encourage a builder's mindset, start with kids mechanic books and engineering books, where you control the message. It may not guarantee that they get straight As in physics or finally design hoverboards, but it will ensure that when the subject arises they can say, "I read a book (or 9) about that once."
