Kubota L3010 price I have a chance to buy a 2001 model L3010 HST 4WD with 229 hours on it. It is priced at \$10500 and the dealer is exchanging the original turf tires and wheels to industrial tires and new wheels on all four corners.

**Price Check Kubota L3010 price - TractorByNet.com**

Kubota L3010 SJ,I ordered a 4300 12/12 syncreverse, 4WD, 420 loader, folding ROPS, mid PTOand R4 tires about 3 weeks ago. I got it for \$16,550 + tax. I think the HST would add approx \$1000 -- could be wrong on that - anyway it seems like \$20500 is a bit high on the 4300 even if you back out the price on the mid mount mower.

**Kubota L3010 -- Kubota Review -- Page 1**

The Kubota L3010 Tractor was manufactured between 1998 and 2002. Sometimes, the parts compatibility is determined by the serial number of your Kubota L3010 Tractor, and that info should be listed on the part fit notes.
