MerCruiser Repair Manuals

I've just acquired an 84 Sea Ray 210 Cuddy, it supposedly comes with a 260 Mercruiser which i understand is a Chevy block. The outdrive is an Alpha 1, or so i am told, but i have not been able to find a serial number to be certain. Would this manual work for me, and if so, can someone please repost a link, the links here no longer work.
