Larson is a popular American shipyard, with a little more than a century of history. Its creator, Paul Larson, initially could hardly even have thought that his creation would become a true symbol of success and high quality in the field of yacht shipbuilding for an entire era. Even now, when the shipyard's reputation is firmly secured on the most successful positions in the world of the ...

My wife and I are proud owners of our first boat, an 04' Larson 240 Cabrio...we have had it for a few weeks and have a punchlist of things that we would like to fix on the boat. I have spent time online looking for information about these boats with little results. I called a Larson dealer and found out there are no service manual available.
