Because bottle washing is a job that permits not a single mistake in terms of hygiene and product safety. And at the same time it demands economical utilisation of water as a valuable resource. The bottle washing machines from the Lavatec series show how these two extremes can be reconciled.

Bottle washing machines for all output ranges - Krones

Before installing the Westwaard pasteurizer with bottle washer attachment, Pandora Dairy was feeding all the calves on bottles with milk replacer. They used a wash rack that allowed for a hot water rinse, but no soap or acid. About once a week they would put all the bottles in the sink with soap and sanitize them.
