I'm a math intervention (remediation) teacher in a middle school in Massachusetts. Both my colleague and I used this 5th grade math minutes book to begin our 5th, 6th, and sometimes even 7th grade classes. Substitute teachers found it useful, too. Each one-page daily worksheet has a variety of math problems.

While the Practice Book pages are not integral to the Bridges Grade 5 program, they may help you better address the needs of some or all of your students, as well as the grade-level expectations in your particular state. The Practice Book pages may be assigned as seatwork or homework after Bridges sessions that don't include Home Connections.

The Math 5 (3.0) works a little differently than the 2.0. The academic content is the same as always and includes over 100 hours of multimedia instruction! However, each course is now delivered online as a 12-month subscription (per student). This obviously means no more discs (and, importantly, no more need for expensive disc replacements).
