M6504 user manual It is important to read this user manual prior to using your new product for the first time.

**user manual M6504 - RCA**

The user manual download easily found online explains the best setup for the player. I agree the touch screen is a bit cheap, but it works and is better than other players with no screen at all. Overall, for a \$20 player it has incredible sound and is easy to use once you read the user manual.
