I have a 2002 sei 180 larsen boat that the bilge pump is killing the battery. The drain is out the stern and I think water from the lake is being siphoned back thru the pump after it shuts off and is filling the back of the boat and then pumping it out again. I find the back of the boat and the bilge is dry but I find water in the battery case indicating that the water must have rose that high ...
