Manual labour (in British English, manual labor in American English) or manual work is physical work done by people, most especially in contrast to that done by machines, and to that done by working animals. It is most literally work done with the hands (the word "manual" comes from the Latin word for hand), and, by figurative extension, it is work done with any of the muscles and bones of the ...

Manual labour - Wikipedia

What they intend is that the system structure Need Not contain our current full blown Level 1 quality policy manual (generally a rewrite of the standards anyway) - as long as the SCOPE of the system is defined along with a quality policy.
