The most disappointing thing about the manual is that prior to version 8 SketchUp had quite an adequate help system with a table of contents and index, and beside working from inside the application it could also be downloaded in PDF form.

SketchUp User Guide / Reference Manual is needed ...

architectural design. The current version (November, 2010) is 8.0. These instructions are based on this version. There is also a professional version, SketchUp Pro 8.0, that they sell online for $495.00. Students can purchase a one year license of SketchUp Pro for $49.00. But I would recommend downloading the free version from Google.
